Proteids .- the elements that build and renew the tissue of our bodies,

that give nerve energy-working energy-"go."

Doctor

Two kinds of energy in our food. One makes up for wear and tear on the human engine-other makes it go. In WHEAT . . only I unit of of bady-building energy to T units of "go."

In SCOTCH OATS 2 units of building force to p units of "go."

The "go" element won't build tissue-or constitution)-but if you have a good reserve of tissue (good constitution) you can always draw on it for "go."
